

EGYPT

Sustained commitment to the 2030 Agenda through reform-led, private-sector growth.

This is a draft document prepared for consultation and review. The content is subject to revision and should not be cited or circulated as a final version.

1. Six themes driving Egypt's review

SDG 1 · No Poverty

1

Poverty Reduction & Equal Opportunity

Egypt reinforced its social protection architecture and promoted economic equality, expanding financial inclusion and opportunities especially for youth.

SDG 7 · Affordable & Clean Energy

7

Green Energy & Digital Economy

Diversified growth across the digital economy, green energy, tourism and advanced manufacturing anchors a reform-oriented, resilient growth path.

SDG 8 · Decent Work & Economic Growth

8

Reform-Led Economic Resilience

Private-sector-led, diversified growth lifted GDP to 4.4% in FY 2024/25 (from 2.4%), supported by fiscal and tax reforms that strengthened resource mobilisation.

SDG 9 · Industry, Innovation & Infrastructure

9

Private Sector & Startups

SME support, financial inclusion and private investment expanded opportunity, with Egypt's startup ecosystem attracting over USD 2.3bn since 2020.

SDG 10 · Reduced Inequalities

10

Spatial Development & Rural Poverty Reduction

Growth-pole approaches and the Hayah Kareema initiative reduce regional disparities by improving infrastructure and services in the poorest areas.

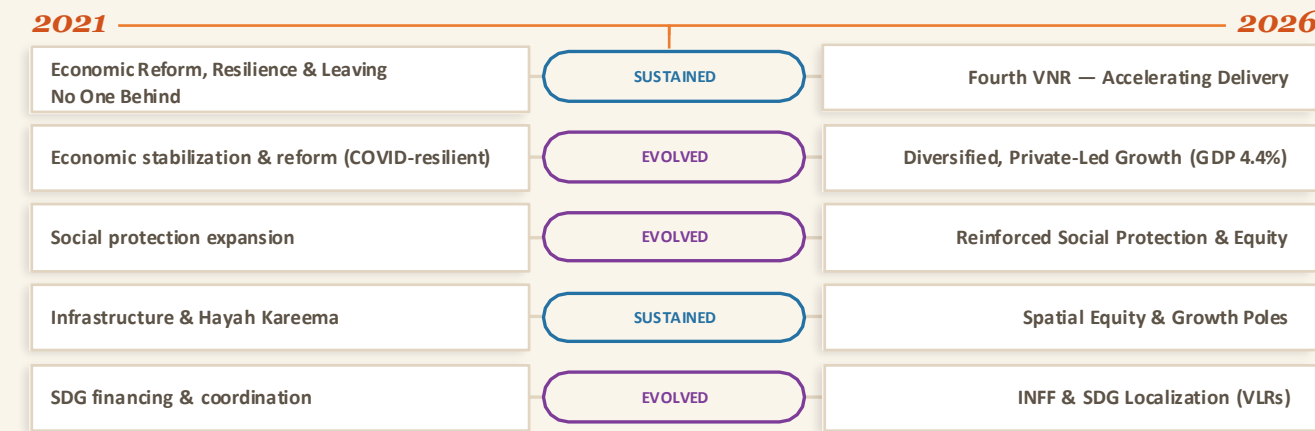

SDG 17 · Partnerships for the Goals

17

Aligned SDG Financing

The Integrated National Financing Framework aligns financing flows with the SDGs, built on multi-stakeholder coordination and SDG localization.

2. Theme continuity across review cycles

3. Recurring concepts in the Key Messages

Egypt's fourth review centres on reform-led growth, poverty reduction and human development. Numbers indicate the frequency of references to the concept in the Key Messages document
