

TANZANIA

Accelerating the 2030 Agenda through whole-of-nation PLUS action, guided by Tanzania Development Vision (DIRA) 2050.

This is a draft document prepared for consultation and review. The content is subject to revision and should not be cited or circulated as a final version.

1. Six themes driving Tanzania’s review

SDG 6 · Clean Water & Sanitation

6

Water Access & Self-Reliance

Rural water coverage rose to 85% and regional centres to 92%, with non-revenue water and sanitation flagged as priorities for acceleration.

SDG 7 · Affordable & Clean Energy

7

Energy Security as a Growth Engine

The Julius Nyerere Hydropower Project doubled generation capacity in a year and connected all 26 regions; electricity access reached 86% with renewables at 80%.

SDG 9 · Industry, Innovation & Infrastructure

9

Connectivity Revolution

The Standard Gauge Railway cut Dar–Dodoma travel from 12 hours to 3, carrying nearly 5 million passengers, while internet penetration surged from 49% to 85%.

SDG 11 · Sustainable Cities & Communities

11

Reshaping Economic Geography

Expanded ports, aviation and the railway make Tanzania a regional trade and mobility hub, opening new opportunities across East Africa.

SDG 13 · Climate Action

13

Climate Resilience Pathway

Strengthening agriculture, water and urban systems tackles disaster preparedness and sanitation — one of three acceleration pathways for 2026–2030.

SDG 17 · Partnerships for the Goals

17

Fiscal Self-Reliance

Domestic revenue climbed to 16.4% of GDP and budget self-reliance rose from 58% to 78%, reinforcing the financing base for the SDGs.

2. Theme continuity across review cycles
